## *Summer 2017 Newsletter*

Welcome to the Summer 2017 Newsletter. I've now returned from my three week Canadian and Alaska adventure and this 'office' has now re-opened! Sue and I had a great time having flown into Calgary, picked up a rental car, to take a self-planned route over the following 11 days to Vancouver. I do know that a number of you have taken a similar trip via the Rocky Mountaineer Train but we prefer to do 'our own thing'. We drove via Canmore (missing the tourist Banff) to 'frozen' Lake Louise and through the Rockies to Columbian Ice Fields where we were hit by a snow blizzards resulting in us being stuck for almost two hours at the Sky Walk Experience. We continued on our route via Kicking Horse Pass, Canyon Hot Springs, Salmon Arms, Hells Gate on the Frazer River, Revelstoke, Kamloops and Vancouver where we picked up the cruise ship to Alaska. We finished our vacation with a three night stay in Vancouver before flying home to Gatwick. I can arrange a viewing if anyone wishes to see the 1400 photographs that Sue took!!! On return home, Sue went back to work and I packed my fishing gear and joined my brother, brother-in-law and a friend for a weeks fishing. I am off to visit a sick friend in Crete on 4 July and will not be back until 15 July. One of us has to work to boost my pension to pay for my holidays!

How ever well you believe that you know someone I was delighted to pick up the following item of news concerning Edna Osborne. Edna is a long standing Committee Member of our branch. It read:

*"After 34 years Edna Osborne has retired from her role in the NHS Hospital Car Service. After retiring from Sussex Police in 1983 Edna spent a year watching cricket. She then started to drive patients to and from hospital on behalf of the National Health Service. She told Uckfield FM: "I enjoyed helping people less fortunate than myself. It was a real privilege to drive around the lovely county of Sussex. Occasionally I drove patients to East Surrey Hospital but generally, stayed in Sussex. Often I would have very long waits at hospitals for patients and was always willing to be called out in an emergency." When asked what she will do now she has retired she added "I am looking to do a similar thing locally."*  
(Note from Secretary – 'Would you like this job, Edna?')

Edna, congratulations, well done and thank you.

Unfortunately, there are a number of obituaries to report and our thoughts go to relatives and friends. The difficulties that I and other Secretaries have is the lack of information concerning service history when other retired members ask for clarification concerning the identification of a deceased member, especially if there is more than one member with the same surname. Could I ask all those who have not completed a 'Service Record' to complete one and forward it to me. I've attached a form at the end of the Newsletter although I would be happy to receive the information in any form.

As I've mentioned several times in the past, this Branch relies on unpaid volunteers. We are still looking for at least one member to assist in the management of our Facebook page. Jon Goddard is our present administrator but is not in the best of health and would like help.

I 'closed' this Branch's office whilst I was holidaying and returned to a number of minor problems which could have been dealt with had I had an assistant or deputy. If you are willing to help out with the administration of our Branch please 'step up' and let me know.

A full list of your General Committee can be found on *Minute – Page 3*

Finally, I must make a mention of Brian Hinsby. Brian is one of our Life Members and an ardent and active member of the General Committee. Unfortunately, Brian has had to resign from this role because of poor health. On behalf of the Chairman and Branch, I would like to thank him sincerely for all his input and wish him well.

## New Members

I would like to welcome the following new Full Members to our branch and hope to meet them at future Social Gatherings:

Peter and Wendy Hutchison – Sussex  
Jacqueline Bird – Sussex  
Andrew and Nadene Smith – Sussex  
Bryan and Sonia Thomas – Sussex  
Dennis and Dianne Chase – London Metropolitan

## Obituaries

### Our Branch

**Francis (Les) Leeves** aged 95 years. Les joined East Sussex Police 1950. He served at Uckfield, Fletching and East Grinstead, retiring in 1976 in the rank of Sergeant.

**John Christmas** passed away in June 2017. Unfortunately, I have no further information about John although I know he worked in Hailsham for a number of years.

**David Smith**, passed away on Sunday 4 June 2017 following a short illness. I do not have a service record for David although I believe he was the last Cadet to join the Eastbourne Borough Police before transferring to the regulars. He served on patrol and in the CID at Eastbourne. He was an enthusiastic snooker player!

### North Branch

**Barrie Hunt** passed away on 15 June 2017. Barrie served as a Detective Sergeant at Crawley. He and myself set up the Crime Process Unit in the original 'single-men's quarters' (not being sexist!) at Crawley. We shared one of the small bedrooms as our office! There was just enough room for two desks and no computers! We were responsible for all Crime related matters from Horsham, Gatwick, Crawley, East Grinstead, Haywards Heath, Burgess Hill, Uckfield and Crowborough continually battling with the CPS! After a few years, the Unit split and I took half of it to Haywards Heath leaving Barrie at Crawley. We both retired about the same time and we kept in touch by letter and phone.

**Gerald Edwards** aged 87 years, passed away on 1 May 2017. Gerry originally joined East Sussex Constabulary in December 1954. During his Police Service he served at Hove as a Constable and Bexhill as a Detective Constable. In 1964 on promotion to Sergeant he worked in the Force Crime Prevention Department and in 1966 on promotion to Inspector he was stationed at East Grinstead. He also spent time at Headquarters in Career Planning as Superintendent. He was later posted to Gatwick where he served as both Superintendent and Chief Superintendent until he retired in May 1988.

**William (Bill) Tillstone**, aged 79 years, passed away on 2 June 2017 whilst on holiday in Italy following medical complications resulting from injuries received when he slipped and fell. Initially Bill was diagnosed with having broken two vertebra and was subsequently paralysed from the waist down. Bill joined East Sussex Police in March 1959 and served on both Uniform and CID at Hove. In 1973 he was promoted to Sergeant and posted to East Grinstead transferring as Detective Sergeant to Burgess Hill CID in 1975. In 1979 he was promoted to Uniform Inspector and served at Gatwick, East Grinstead and Burgess Hill where he retired in March 1989. During his service he received two Commendations and a Royal Humane Society award on parchment.

## Brighton Branch

**Lionel Purdie**, aged 94 years, passed away on 6 May 2017. Lionel worked for the Durham Constabulary until 1959 when he transferred to Sussex where he served on the beat in Lewes, in the Traffic Division at HQ in Communications.

**Ronald Berry** aged 84 years passed away on 26 May 2017. Ron joined Brighton Borough Police in 1959 and served as a uniform Constable, Traffic Department, Drug Squad and retired as a Detective Constable in the vehicle Investigation Branch. On his retirement in September 1984 Ron and his wife moved to Tortefontaine, France.

## Chichester

**Harry Clarke** aged 90 years. Harry served on traffic at Horsham, CID at Chichester and the RCS before being posted to Bognor as Station Sgt where he remained until his retirement in 1974

## AGM 11 April 2017

Disappointedly, only 34 Members attended the AGM at the Fishermens Club, Eastbourne on 11 April 2017. (A copy of the Minutes is attached to this Newsletter). John Bishop gave an interesting presentation on vintage motor vehicles offering his usual humour. The £50 draw was won by Pam Rigg and the £25 by Jackie Stredwick. Well-done to you both.

## Social Gatherings – past and future!

**The Spring Lunch** which was held on 26 May 2017 at the Hydro Hotel was another successful gathering. Madge Rolf, one of our Life Members, who is 101, again attended with her daughter. Well-done Madge.

**The trip to Canterbury** on the 8 June 2017 was only attended by 6 members and guests (two members having to cancel at the last moment). The planned trip on 19 August 2017 to **Beaulieu Motor Museum** has been cancelled through lack of support.

Our next social gathering is on **11 July 2017 – Henry VIII & ‘Nosh ‘n Natter Nite’** at the Fishermens Club. Historically, this gathering was to give *local* ex-retired members a chance to get together to reminisce. As our branch now has many retired officers from other parts of the Country, the Social Committee decided to slightly change the format of the evening and invite an outside speaker in the form of Tony Harris attired in his Henry VIII regalia. His presentation of Henry VIII is both amusing and informative. For any of you who have visited Hampton Court you may have seen Tony as he wandered the grounds as Henry VIII. There is no charge for this event and guests are welcome. There will be a tombola and free finger buffet.

The Social Committee are planning an outing to **Sheffield Park on 26 October 2017**. The final details are not available at present but please put a note in your diary if you wish to attend.

The **Christmas Lunch** has been booked for Friday 24 November 2017 at the Hydro Hotel. The full details will be published in the next Newsletter.

## Cenotaph Parade & Service 2017

The Royal British Legion will as usual be organising the Ex-Service and Civilian Contingents attending the Parade and Service at the Cenotaph, Whitehall, on Remembrance Sunday, 12 November 2017. This branch is entitled to apply for three places. I must stress that the day is ‘physically demanding’. Cost of travel is the responsibility of the individual member but a three course meal is provided by NARPO. Applications must be made through myself. The closing date for applications reaching The British Legion is 11 August 2017.

## Devon Holiday Lettings - 20% Police and NARPO Discount

I received the following concerning holiday accommodation in the Cherry Tree area of Devon Cliff Holiday Park near Exmouth available to NARPO Members:

“My husband and I (sound rather Regal!) are retired police officers and current NARPO members. We own a static holiday home at Devon Cliffs Holiday Park which we rent out each July and August in order to help us pay the rather large annual site fees and bills. Our rental to Police Officers and NARPO members, is discounted by 20% off our standard holiday rates. The Maximum occupancy is 4 (children over 7 years only), no pets and no smoking (in any format). Rental is for 7 days from Saturday to Saturday. More details are available at [www.enjoydevoncliffs.co.uk](http://www.enjoydevoncliffs.co.uk) or email [lornajrobson@gmail.com](mailto:lornajrobson@gmail.com)”

## Disability Rights UK

## A little know fact....

Did you know that the oldest computer can be traced back to Adam and Eve and the Garden of Eden? Unbelievable? It was an Apple but with an extremely limited memory of just 1 Byte...then everything crashed.

Do make a habit of visiting [narpo.org.uk](http://narpo.org.uk) for up to date national news and offers. Access to previous Newsletters and those published by other Sussex branches can be found by visiting the **Sussex Police Federation web site** and following the links to **Retired Police Officers**.

Do not hesitate in contacting me regarding any NARPO related matters.

I wish you all a healthy Summer and hope that those of you that enjoy **SKIing** (**S**pending the **K**ids' **I**nheritance) continue to do so!

Kind regards,

These included a trip to the Tulip Festival at Pashley Manor, a Thames River Cruise, a tour of Biddenden Vineyard, Dickensian Christmas at Rochester and a day trip to Oxford. The Spring and Christmas Lunches at the Hydro Hotel were again a success together with the 'nosh & natter nite'.

Mr Head gave details of planned events and gathering for the remainder of 2017. These included;

26 May 2017 Spring Lunch at the Hydro. The returns to date were low and it was stressed that NARPO must have a minimum of 40 confirmed bookings to fulfil their contract with the hotel.

Friday 24 November 2017 Christmas Lunch at Hydro Hotel.

Mr Head stressed that a great deal of time and effort went into arranging social events. The Social Committee would welcome ideas from members.

Mr Head thanked Jon Goddard for keeping our Facebook page updated. Jon is not in the best of health and would appreciate assistance.

The Chair thanked Mr Head and the Social Committee for all their hard work, enthusiasm and effort they put in to arranging these events.

## 8 National Matters

- (i) Mr Bowman explained the set-up of the Sussex Branches Co-ordinators Meeting. This group consisted of two members from each of the six Sussex Branches and met on a regular basis. Mr Bowman had volunteered to Chair future meetings. This group had discussed the possible amalgamation of the 6 Sussex Branches but this had now been taken off the agenda.

- (ii) Mr Bowman reminded the meeting that the National Executive Committee (NEC) is made up of two representatives from each Region. Our representatives are Ian Potter (the present National President) and Ahmed Ramiz (Chair of North Sussex Branch). Mr Potter will be standing down from the NEC at the 2017 Conference creating a vacancy. Mr Bowman is the sole nominee from this Region for the NEC vacancy and hopes to be voted on. This will be decided at Conference.

# CHAIRMAN 'S REPORT 2016

I am pleased to report that our Branch Membership remains consistent.

We have strong Representation at both National, Regional, County and Local Level.

To that end I must thank our General Committee, Social Committee, Welfare Officer and Deputies, Treasurer and Auditor. But first and foremost our Branch Secretary for his Stirling work, dedication and enlightening newsletters.

During the year along with other Committee Members I attended NARPO National Conference at Torquay. This year however will be even more relevant for the Final Draft and Amendments of NARPO Rules will be debated and voted upon at the forthcoming National Conference. We of course will be sending a full delegation.

At County Level over the previous year we have discussed Amalgamation of the Six Sussex NARPO Branches.

I am pleased to inform you that this will now not take place.

I finally ask all members to fully support your General Committee and give consideration to the events, meetings, dinners organised by your Social Committee.

We are all volunteers. But we continue to strive and ensure that we protect, promote and represent the interest of our membership. This is our reward!!!

I thank you for your support and friendship during 2016 and look forward to meeting you all at one of our events in the year ahead.

A Happy and Prosperous 2017 to you all.

**Keith Bowman**

**Chairman**

## *Secretary's Report 2017*

Mr Chair and Members: 2017 REPORT 2017

This has been another busy year for your Secretary. Behind the scenes I continue the ongoing communication with the National Executive, Branch Secretaries, Branch Members and other organisations by phone and email. Together with Keith Bowman, our Chair (and in the absence of Keith Bowman with our Vice Chair, Kit Bentham) I attended both the Sussex Coordinators and the No 5 Region Meetings as your representative. It is important that we attend these meetings to express our opinions on your behalf. We take an active part in both meetings.

The recent Sussex Co-ordinators meetings have been dominated by proposals to amalgamate the six Sussex branches. We have fought against such an amalgamation for the present although it will inevitably come if there are no volunteers to take the Chair, Secretary, Treasurer and Welfare Officer posts as and when they become vacant.

The National Conference is being held at Scarborough on 8 September 2017. As in the past, I am again willing to be one of your representatives at this Conference. Keith Bowman will be standing as a candidate for the National Executive Committee and I am sure you would like to join me in wishing him good luck.

The New Rules will undoubtedly be voted in this year as, hopefully, the majority of the objections in 2015 have been resolved. This will result in our branch having to update our rules and bring them into line with the new national rules. These will be presented at the next Annual General Meeting.

The Police Service is changing. There are less officers completing their full service who are not, therefore, entitled to a Police Pension; which is a condition of Full Membership to NARPO. Whilst membership is decreasing in many branches throughout the country, our Branch numbers increase slightly each year. Our present membership stands at 391 (385) - plus spouses/partners. This is made up of 308 (302) Full Members — plus spouses/partners, 63 (61) Widow Members, 4 (4) Life Members — plus spouses/partners, 3 (3) Associate Members — plus spouses/partners, 1 (1) Honorary Member and 12 (14) Additional Members — plus spouses/partners.

If you do know of any retired officers who are not members of NARPO please encourage them to join.

I am willing to continue as your Branch Secretary for the coming year 2017/2018 unless another member wishes to take on this Office. I am also still looking for volunteers to take on the Newsletter and/or act as Deputy Secretary during my absence.

I thank you all for your support.

Treasurers Report  
AGM April 2017

This is my report of the Branch Accounts for the year 2016.

The first thing to note is a small excess of expenditure over income, will just need to keep an eye on 2017 to prevent this again.

The balances of the accounts remain in a healthy state, with a balance including reserve account at £10144.75 on the 31<sup>st</sup> December 2016.

The income entry, in the Income column relates to a refund to the Branch of an over payment, and a payment made into the account in error.

There is an increase in Conference expenses, as the Branch sent 4 delegates as against the usual two.

The social account refunds are the £500 subsidy for the Christmas lunch, and the refund of a payment made to the current account in error.

The Social Account balance £737.29

Again my thanks to Edna Osborne for auditing the accounts.  
I must also thank Caroline Place for her help with the banking.

If there any queries, please do not hesitate to contact me, prior to the AGM so I will be in a position to answer.
