

COUNSELLING DIRECTORY

The purpose of the site is ultimately to provide the UK with a huge counselling support network, enabling those in distress to find a counsellor close to them and appropriate for their needs. This is a confidential service that will hopefully encourage those in distress to seek help. The website also contains a number of sections on emotional disorders (types of distress section) and provides some useful statistics. Every counsellor on the site who has submitted their profile has either sent a copy of their qualifications and insurance cover to us, or is registered with a professional body online with recognised codes of ethics and practice, this way we can be assured of their professionalism.
