INSURING YOUR SPOUSE/PARTNER – you can insure a spouse or a partner providing the partner definition below is met.

Partner' means the person to whom the member of the associated policy is married or, if the member is not married, a person who is openly cohabiting with him or her and who has been so cohabiting for the six months' period prior to the date of their inclusion in the policy, and on whom such a member is financially interdependent.

How much will it cost me to add my spouse/partner to the insurance

- If you are a new recruit the spouse/partner cover is also free for the first 26 weeks from your joining date with a further 26 weeks at half price currently £20.05 (officer and spouse/partner). Year two premiums will rise to full price premium currently £32.30.
- Officers with over one year's service including transferees can insure themselves and their spouse/partner for £32.30 per month

What is my spouse/partner covered for:-

Cover for a spouse/partner is £55,000 life insurance, £7,500 critical illness cover, Gadget ie. phones and the RAC breakdown cover
