

You might be owed a Tax Refund!

1,773 Sussex Police Federation members have used the tax refund services provided by tax experts at The Tax Refund Company. 604 members who completed their tax code review have got money back and received an average refund of **£210.78** each.

You should not assume HMRC will just send you a refund if you have overpaid tax. It is up to you to check if you have paid too much. Please note HMRC regulations put a limit of 4 years on reclaiming your overpaid taxes. Any earlier overpayments will be lost.

If you have not checked your tax in the last 4 years, the main points you should note are:

- **This service is FREE if you don't get a refund**
- **There is no minimum fee, cheque handling fees or other charges**
- **For every £1 they get back for you, you keep 61p and they retain 39p as their fee for doing all the work**
- **You keep ALL the future savings you make in full through a new tax code with no fee deducted**
- **You can't lose by applying – no refund means no fee**
- **In the very rare event that they think you owe more tax, they will only tell you.**
